

## **Descriptions of the CWIP Activity Database Reports**

Currently there are numerous reports generated from the CWIP Activity Database – some are posted to the CWIP website and a few are for internal use. The report numbers are in the lower left hand corner of all the reports. In addition, the reports include a note in the bottom middle that indicates the date of the data (e.g. GL period and CBS trans date). There is also a database run date of the report in the upper right hand corner of all the reports.

The CWIP Activity Database Reports are detailed on the following pages.
